Roop,

Your external drive should go out today by UPS back to NJDEP:

<http://wwwapps.ups.com/WebTracking/track?track=yes&trackNums=1Z1327350346071954>

It will be in a box addressed to Barbara Hirst. The drive also includes the administrative record for the entire project in a directory with that name.

Happy Holidays.

Barbara and Angus,

I received a copy of the Harbor models with caveats that some parts are copyrighted for government use only. Please send me an external drive to my address below and I will make a copy for your agency which will include which parts of

the models need to maintain their copyright by your agency. Please also include who I will need to send the external drive back to.

Thanks,
- Antony
